320 Decker Drive, Suite 100

Irving, TX 75062

Dear Chris & Ping,

I want to thank you both again for the wonderful trip to China! I have been a club director for nine years and this trip was one of my all time favorites! Even more importantly, the customers thoroughly enjoyed the trip as well.

Everything about the tour was fabulous from the hotels, the food, the local guides, the drivers, the motorcoaches, and the sightseeing attractions, to the learning of China's history and culture. Chris, we enjoyed having you on the trip with us. We enjoyed your commentary on China, your sense of humor and Tai Chi lessons!

Ping, I would like to commend you for your great organizational skills. It was very easy working with you. You are very efficient and detailed oriented. You always responded back to all my emails in a timely manner.

Thank you both again for the help in making wonderful memories of our China adventure for our bank club members! I would be happy to recommend you to other bank club directors and hope to travel to Asia again with you in the future.

Sincerely,

A handwritten signature in cursive script that reads 'Cindy Blaine'.
