To Whom It May Concern:

I am writing to tell you this was absolutely one of our top trips we have ever taken! Every day was another WOW! Travelling to the other side of the world and experiencing another country's culture as well as sights is one of the best experiences you can do! If this is on anyone's bucket list----go now!

Chris and Ping we're always very helpful—believe me, I must have called them a hundred times and they always knew the answer and were great to work with. Chris, who was with us on the trip, was a wealth of knowledge! He made the trip fun and he took great care of everyone. Chris and Ping know their stuff.

I would definitely recommend China Plus to anyone for a China trip!

Sincerely,
