Dear Chris & Ping:

Thank you so much for the fabulous experience in China. My customers are still astounded by the cultural and educational experience they had during their 15 days in China. Not many companies send their owners along on a tour to make sure everything runs smoothly. Chris's passion for his heritage and the country he grew up in could not be replaced by anyone. The step-on-guides you hired were the best! They spoke very good English, were compassionate to my customers and very informative.

Your pre-planning customer service was up and above the industry standards. You were always prompt in returning my messages and answering my questions. As a Bank Club Director and Travel Coordinator, the hardest part of a tour is making sure all the details of a tour are in place. China Plus made it very simple and I appreciated all you did to make this tour run like clockwork. Your comp and incentive package was very attractive.

I have attached a copy of a letter I received from one of my customers who traveled with First Dakota to China. Fred has traveled for many years with me, to many countries and locations. When we have customers this pleased with a tour, it says it all for the tour company being used. You also made me "look good" to my customers.

I look forward to doing another trip with China Plus in the future.

Sincerely,

A handwritten signature in cursive script that reads 'Jane M. Pugh'.
