Dear Chris & Ping,

Thank you so much for organizing and hosting our fabulous trip to China! As I am following up with customers, they can't believe how much we were able to experience during our 18 day trip and they continue to comment on what a value the price was for the extensiveness of the trip. All of the included activities were terrific, the food was great, our local guides were outstanding and easy to understand, the hotel accommodations were superior and having Chris along to guide the tour was remarkable. His ability to explain Chinese culture and compare and contrast it with life in the US really added so much to the tour. To sum it all up...We LOVED our trip!

Please feel free to give my contact information to any bank travel leaders that would like a first-hand account of the trip. I will gladly share my enthusiasm with anyone who is thinking of traveling to China. In my opinion, no one should ever travel to China with anyone but ChinaPlus. From start to finish, you delivered a first-class trip that included so many special details that wowed my customers every step of the way.

I sincerely hope I will be able to travel with ChinaPlus in the future. Thank you again from all of us for an amazing experience that we will never forget!

Sincerely,
