Dear Chris and Ping,

We just completed our second escorted group tour of China with China Plus. Our clients are well travelled and many say their tour of China with China Plus is the best trip they have ever taken.

Our trip included a very broad and inclusive perspective of China. It gave us a great understanding of the people, the history and the culture. It also gave us an understanding of the rapid evolution and change in modern China.

The trip was very inclusive and an outstanding value. Quite frankly, other than a few gifts or souvenirs there was little need to spend money once we left home.

I would not want to see China without Chris, Ping or someone who spoke the language and actually lived in China. Chris and the local guides made us feel comfortable at all times and provided a perspective only available from a native.

We highly recommend a trip to Asia with China Plus. You would be hard pressed to find a better trip and you won't find a better tour company. Chris Lee and China Plus are the best.

Sincerely,
