RE: China Highlights plus Yangtze River Cruise

Dear Chris & Ping:

Thank you so much for an amazing tour of China. Our group is still talking about their experience in China. You gave them more than they were expecting and this trip will be one of the highlights of their travel journeys'.

Everything was organized and the tour guides added so much to the commentaries. Thank you so much for all you did not only for the group but for me as well. You even made my 3<sup>rd</sup> time to China one of my favorites!!!!

Not if, but when we do Asia again, your company will be the one that I will call to make our traveler's dreams a reality.
