Dear Chris and Ping,

Thank you so much for the wonderful “Silk Road and Shangri’ La Tour” to China. My club members are still talking about this truly unique adventure. We really enjoyed our first trip to China and Tibet and I had concerns that you would not be able to “top” that experience, but you did! Each day of the tour we experienced something new and wonderful in remote regions with diverse ethnic groups, customs and culture, truly giving us an insight into the history of China, the Silk Road and famed Shangri’ La.

I truly appreciate the passion for the destination, love of travel, dedication to details and excellence in service that both of you contribute to your tours. I can’t express enough how much I appreciate your assistance in getting the replacement Visa for my club member who had her passport stolen before our travel dates; you both went above and beyond to make sure she was able to fulfill her “bucket list” travel to China.

Chris, I also appreciate the personal service, flexibility and care that you have shown to each of my club members while on tour, making their experience safe and memorable.

I would highly recommend the Silk Road and Shangri’ La tour to anyone interested in not just visiting China, but experiencing China. I would also challenge anyone who thinks they have seen all that travel to China has offer to take another look, the Silk Road and Shangri’ La tour with China Plus Tours lets you experience the extraordinary!

Thank you once again Chris and Ping, your dedication to excellence will keep me coming back to China Plus Tours for any travel to Asia.

Sincerely,
