Re: 2018 SE Asia Tour

Dear Chris & Ping:

Thank you so much for the fabulous SE Asia cruise/ tour. It has been one of those experiences that a person continues to process as time goes on. The magnitude of the trip was amazing and it was all so well arranged and every detail seemed to fall into place at the right time.

It is amazing to the detail and how much the two of you stayed on task to make sure the First Horizons Club enjoyed their journey from start to finish. Starting with the planning and organizing the two tours to fit the time schedule that worked for the two groups – the 14 Day land tour and the 21 Day land/cruise tour with a cruise on the Mekong River with AMA Waterway mid-way through the tour. Chris arranged to stay with the 14 Day group once the 21 Day group boarded the AMA Dara. At the end of 14 Day tour, Chris accompanied them to the airport for their return flight prior to meeting the 21 Day group following their cruise. Chris then finished the tour with the 21 Day group. For the FHC members, everything flowed perfectly.

The guides from each country did a fantastic job of sharing their countries with us and their English was very clear. I cannot say enough of how everyone enjoyed the guides.

Parts of the tour that really stand out are the elephant ride, the Mekong River cruise, the Cu Chi trail, the many different temples, and both groups ended with an overnight on a junk boat in the Halong Bay area- absolutely a wonderful area to end the tour.

Thank you again for all the work and for arranging such a fabulous tour. I would highly recommend this tour to others.

Best wishes for 2019.

Sincerely,

Susan Evenson, Director
First Horizons Club
